outdoor areas perfect for enjoying the Costa del Sol lifestyle all year round.

The plot measures 1,250 m² and is the result of merging two independent plots, which adds significant value and flexibility. On the second plot, there is currently a prefabricated guest house with 2 bedrooms and 1 bathroom. As this is a separate plot, there is the possibility to build a second permanent property with the appropriate building license.

The villa enjoys stunning open views of the sea and Gibraltar, adding a truly unique touch.

In terms of location, it is just a 5-minute drive from the beach, close to supermarkets and all essential services, and only 8 minutes from the center of Estepona.

A ready-to-move-in property with recent full renovation, prime location, and strong potential both as a permanent residence and as an investment.
